CARLOTTA

SPEAKING TEST COMMENTS

Criteria	Mark	Comments
Task Fulfilment & Communicative Effect	8	All tasks are fulfilled with great ease and confidence. The candidate is spontaneous and natural throughout. All contributions are appropriate and enriched by precise and relevant detail.
Coherence	8	The candidate is consistently clear and responses are always well-structured. She speaks at length effortlessly and effectively, and also uses linking and cohesive devices during the whole test.
Accuracy & Range of Grammar	7	A wide range of grammar is used throughout the test and the candidate demonstrates a high level of accuracy and control. There are only very few errors which do not affect communication.
Accuracy & Range of Vocabulary	8	A wide range of precise and accurate vocabulary is used most effectively during all parts of the test. There are only very few errors which do not impact meaning.
Pronunciation, Intonation & Fluency	7	The candidate produces a spontaneous and natural flow of language. There are hardly any intrusive hesitations or pauses. Pronunciation is clear though some first language influence is noticeable throughout. Intonation and stress patterns are used very effectively. The read aloud task is managed with naturalness and fluency.
