What is LanguageCert?

The Next Generation of English Language Qualifications

LanguageCert is an Awarding Organisation recognised by Ofqual, dedicated to providing exceptional language skills assessment and certification worldwide. It is a member of the PeopleCert Group, based in London, UK.

LanguageCert develops and administers **LanguageCert International ESOL** (English for Speakers of Other Languages) exams, a suite of English language qualifications mapped to the CEFR*, especially designed for those intending to study, work or travel around the globe. The following **two exams** are offered at each level from **A1 to C2**, to cover all four language skills:

- LanguageCert International ESOL **Written Exam (Listening, Reading, Writing)**
- LanguageCert International ESOL **Spoken Exam (Speaking)**

LanguageCert is led by a “Dream Team” of language assessment experts with rich experience in the field and it is powered by PeopleCert, a global leader in the certification industry developing and delivering millions of exams in 200 countries.

*Common European Framework of Reference for Languages

Aspire2 International, Private Tertiary Educational Organisation

Auckland, New Zealand

As a school committed to offering high-quality educational services, we have become a LanguageCert Approved Test Centre. We recommend the LanguageCert International ESOL exams to our students as added value to their courses and as a means to meeting requirements for tertiary study. The fact that Written and Spoken exams can be taken independently, allows all candidates to focus on specific skills according to their real needs.

Candidate-friendly

Two Separate Exams Leading to Two Separate Certificates

- **Written Exam** (Listening, Reading, Writing)
- **Spoken Exam** (Speaking)

Written and Spoken Exams can be taken together or independently of each other at the candidate's need and test centres' convenience.

Candidates can choose to focus their preparation on one exam before taking the other. Each certification is awarded to them upon passing the corresponding exam.

Impartiality

- **One-to-one** speaking interview, so candidates can perform at their best
- Interview conducted and **recorded** by a LanguageCert Interlocutor who does not assess
- Marking by LanguageCert Approved Markers ensures **impartiality**

Andrea M., Student, 16 years old

Prague, Czech Republic

Sitting for my LanguageCert International ESOL exams was a breeze! It was convenient to take the exams when I was ready, as I sat for the Written exam while studying abroad, and for the Spoken exam once I returned home! The certificate is valid for life, which, in combination with the exams' international recognition, is already opening many doors for me. I am excited about my future!
